

PET Plastic Bottles Wholesale

PET plastic bottles are a main type of plastic bottle, they are the bottle container that made of a plastic PET material, which full name is Polyethylene terephthalate, it is a milky or pale yellow, highly crystalline polymer with a smooth, shiny surface. The packaging bottle which made of PET material is very clear. In the past 10 years, we have manufacture hundreds of PET plastic bottles.

Our empty PET bottles are widely used in beverage juice, food, cosmetic and personal care products, they are different from the design, capacity and lid. For juice PET bottle, we own many ready-made bottle mold, they are round juice PET bottle or square juice PET bottle, they are usually matched with tamper proof cap, they are featured by food grade, BPA free, safety, eco-friendly, non-toxic and no harmful. For personal care PET bottle, we made so many for lotion use.

Most of PET plastic bottles are injection-blowing molding, their original shape is a bottle embryo with a certain weight, then become to a PET bottle after the injection-molding process.

As a professional PET plastic bottles manufacturer, we own our factory, injection and blow molding machine, and also printing department and label sticking department, we can custom PET bottles from 20ml to 1000ml, if you own your branded design.

We wholesale our empty PET bottles all over the world, for our ready-made PET bottle, we can quick produce and ship them to you. for your own design, contact us to make new bottle mold, and then forward to next step. Here we show you our hotsale Top 10 PET bottles for your reference.
